Learning Disability Week

19 and 20 June, between 10am and 3pm

Drop into De Montfort University to find out what support is available to you

- Find out what services are available for people with learning disabilities.
- Get tips on staying healthy and health checks.
- Get to know what is available for people with learning disabilities if you go into A and E.
- Learn about breast awareness and bowel screening with resources for people with learning disabilities.
- Understand about the hearing challenges people with learning disabilities face. The DMU Audiology Team will be available and you can also get your hearing checked on 19 June.

You will find us in the Hawthorn Building in the Undercroft area (entrance on The Gateway). The building is fully accessible and there is a changing places facility.

If you have any questions, please email sam.screaton@dmu.ac.uk
