

## Estates Contracted Out

### Request

I read with interest that 18% of your estates and hotel services are contracted out.

I wondered if you could confirm:

- What percentage of Estates are contracted out
- Who is the contractor / supplier for Estates who carry out the work
- Which company carries out the Hard FM for the estate

### Our Response

- What percentage of Estates are contracted out:  
**OUR RESPONSE:** LPT does not contract out its Estates and Facilities management.
- Who is the contractor / supplier for Estates who carry out the work  
**OUR RESPONSE:** Facilities Consortium (LPT).
- Which company carries out the Hard FM for the estate  
**OUR RESPONSE:** Facilities Consortium (LPT).

I realise this would seem to contradict the comment in your request "*I read with interest that 18% of your estates and hotel services are contracted out*", but if you could provide details of where you read this we will endeavour to clarify.
