

## Recycling of waste electronic/electrical equipment

### Request

- 1 What does your organisation currently do with its waste electronic or electrical equipment?
- 2 Does your organisation pay to dispose of this equipment? If so how much is the cost per annum?
- 3 Is the disposal of your waste electronic/electrical equipment governed by a contract? If so when does the contract period come up for renewal?
- 4 Please advise on the steps we need to take if we wish to be considered to provide a free clearance service for all your waste electronic and electrical equipment?

### Our Response

#### REQUEST:

- 1 What does your organisation currently do with its waste electronic or electrical equipment?

#### OUR RESPONSE:

Waste is taken away by an approved contractor and data is securely erased.

#### REQUEST:

- 2 Does your organisation pay to dispose of this equipment? If so how much is the cost per annum?

#### OUR RESPONSE:

No

#### REQUEST:

- 3 Is the disposal of your waste electronic/electrical equipment governed by a contract? If so when does the contract period come up for renewal?

#### OUR RESPONSE:

The contract is rolling/ongoing.

#### REQUEST:

- 4 Please advise on the steps we need to take if we wish to be considered to provide a free clearance service for all your waste electronic and electrical equipment.

#### OUR RESPONSE:

We already have a free clearance service – but if you wish to send to the Trust they will be considered.
