

Parking, security and procurement arrangements

Request

My manager has asked me to conduct a survey of NHS establishments in England, and who provides each with security and parking facilities/management.

Please would you inform me as to who provides your establishment with these facilities, and when the contract[s] are due to be renewed?

Also do you use a procurement hub, and if so which?

Our Response

Security is provided by Advance Security Ltd

1 February 2011 to 31st January 2014, with the option to extend by the Trust for up to 4 years, subject to annual review.
