

## **Alternative Therapies for people with Arthritis**

### **Request**

Please can you disclose information on what alternative therapy services are available in the Leicestershire area for General Practitioners to refer patients to that have arthritic conditions.

### **Our Response**

This Trust does not provide specialist services for patients with arthritic conditions. However, in an effort to be helpful, we would suggest you direct your request to the Leicestershire Primary Care Trust Cluster, to which a Freedom of Information request can be submitted online at: <http://www.lcr.nhs.uk/SubmitFOIRequest.aspx> and/or the University Hospitals of Leicester NHS Trust at: <https://www.leicestershospitals.nhs.uk/aboutus/freedom-of-information/contact-us/>
