

Expenditure on Locums

Request

Please could you furnish me with the spend information for locums for January – March 2012 for the following staff:

OT's
Physiotherapists
SLT's
Pharmacists
Dieticians
Podiatrists

Please can you indicate the split between acute and community services if applicable.

Our Response

Please see attached.

Please note that we are an integrated Trust dealing with Mental Health and Community Services and have therefore shown the split of expenditure between those two.
