

## **Child Protection**

### **Request**

- Please could you provide me with, a current copy of your child protection policy?
- Please briefly describe in one or two sentences up to 5 main changes in your child protection policy since 2000
- Are all of your staff CRB checked? What are the exclusions?
- How many employees do you currently have?
- Please can you provide the number of staff that have been dismissed from your organisation due to offences against children since 2000 for each year, or whatever is available?

### **Our Response**

- **Please find attached a copy of our Children Safeguarding Policy**
  - **Incorporates the revised guidance from Working Together to Safeguard Children 2010 and legislation s 11 Children Act 2004.**
  - **References wider trust wide safeguarding policies**
  - **Safeguarding Training for all staff put onto mandatory footing across the organisation**
  - **Child Death Review Processes – statutory requirement and local policies to support this**
  - **LSCB multi-agency procedures changes and links**
- **All staff working clinically with children and young people are CRB checked to enhanced level.**
- **6350**
- **There were none during 2011 – 2012. Data is not available prior to this as from April 2011 as part of the Transforming Community Services initiative three health organisations integrated to form the new Leicestershire Partnership NHS Trust.**
