

Older Adult Inpatient Services

Request

For each of your older adult inpatient wards, can you please send me the following information, by ward:

1. Number of beds on the ward
2. Function of ward (e.g. organic, challenging behaviour etc)
3. Average bed occupancy for the ward for the 3-month period Oct – Dec 2013 inclusive
4. Funded staffing establishment for the ward, broken down by staff group (e.g. qualified nurse, unqualified nurse, other) excluding medical input
5. Average monthly bank and agency spend for the ward, based on the 3-month period Oct – Dec 2013 inclusive.

Our Response

1. & 2: Coleman Ward – Male organic ward for 21 patients
