

## **COMMS and Marketing Organisational Structure**

### **Request**

Please can you email me the current Organisation Chart for the Marketing and Communications function of the Organisation. If this is over separate Directorates I would appreciate a copy of all of these (even if it means more than one copy). If you have a separate Marketing and Communications functions please send two separate Org Charts

I would appreciate a full Organisation chart, if possible with names and job titles. e.g who the Director's of Marketing / Comms etc. If you do not have a Chart with names on, please send a full chart with job titles.

### **Our Response**

Please find attached copy of our Communications organisation chart. We do not have a dedicated Marketing Department.
