

Agency workers and SLA's with agencies

Request

Could you please provide by return email, all information pertaining to:

- A breakdown of the Trusts spend on agency workers for the last full calendar year (January 2013-December 2013), relating to Non Medical Non Clinical staff
- Details of any service level agreements that the Trust currently have with suppliers of agency workers, including names of contracted suppliers and the agreements expiry dates

Our Response

- Please find information attached.

- There are two Non Medical Non Clinical (NMNC) Framework Agreements run by Crown Commercial Service (CCS) and HealthTrust Europe (HTE) that the Trust utilise, both of which are free of charge. For information please see attached 'HealthTrust Europe – Non-Clinical Temporary Staffing Framework Agreement Brief'
CCS Framework expires on 31/06/2014 - a new one is being worked on to replace it.
HTE Framework expires on 31/10/2014 - with an option to extend for a further 12 months.
Details of the above Framework Agreements can be found at:
