

Crisis Resolution and Home Treatment Service (CRHTS) Operational Policy

Request

I would like to request a copy of your current Crisis Resolution and Home Treatment Service (CRHTS) Operational Policy

Our Response

Please find attached the current Single Point of Access and Crisis Response and Home Treatment Operational Policy. We would like to point out that the policy is currently under development and awaiting further review, agreement and adoption by our Board Committee. However this is the working procedure that is being used within the service at this time, and therefore provided to you as requested. Once adopted by the Board Committee it will be published on the Trust website.
