

## **Equal pay claims**

### **Request**

1. Since 2003 how much has been paid out by the NHS in settlement of equal pay claims or potential equal pay claims?
2. To how many women and how many men have such payments been made?
3. Has the NHS budgeted for future payments for potential equal pay claims and if so how much?

### **Our Response**

The information below relates to Leicestershire Partnership NHS Trust only. We do not hold the figures for the NHS as a whole.

1. Our Trust has paid £400 in settlement of an equal pay claim since 2003.
2. One female.
3. None known for Leicestershire Partnership NHS Trust
