

Consultant Posts

Request

1. The number of current consultant vacancies in your organisation broken down by specialty and duration of vacancy.
2. The number of 'frozen' consultant posts, that is those posts which have been vacated in the last 24 months which you have decided not to refill.
3. The number of post CCT fellowships or other non-standard CCT posts you have advertised in the past 24 months.

Our Response

1. Currently we have the following Consultant vacancies:
Child & Adolescent Mental Health Services – 3 vacancies (1 post vacant for 12 months, 1 post vacant for 7 months and 1 post vacant for less than 1 month)
Community Paediatrics – 2 vacancies (1 post vacant for 10 months and 1 post vacant for less than 1 month)
Old Age Psychiatry – 2 vacancies (1 post vacant for 8 months and 1 newly created post)
Liaison Psychiatry – 1 vacancy for 3 months
Crisis Resolution – 1 vacancy for 2 months
2. We do not have any 'frozen' posts. Recruitment is underway for all of the above vacancies
3. We do not have any non-standard CCT posts working in the Consultant grade.
