

Children's Eating Disorders Service

Request

I am seeking the answers to the following questions for child mental health services at Leicestershire Partnership NHS Trust:

Q1: Do you have a multi-disciplinary team specifically treating eating disorders?

Q2: How many of your psychiatrists have had specialist training in eating disorders?

Q3: How many of your mental health nurses have had specialist training in eating disorders?

Our Response

Q1: Yes, we have a Multi-Disciplinary Team working solely with young people with Eating Disorders.

Q2: We have one psychiatrist in the team who has received training in Eating Disorders.

Q3: We have three nurses in the team, all of which have received training in Eating Disorders.
