### **Request**

Could you please send me over a list of names within the clinical coding department identifying the split between permanent coders and contractors. I need this information stored onto my computer to keep a track record of which coder is at what trust.

### **Our Response**

Information regarding the names of members of the Trust's clinical coding department are withheld under s40(2) of the Freedom of Information Act 2000, which is an absolute exemption, as this information constitutes their personal data.
