

## **Mental Health Performance**

### **Request**

Can you please provide the Mental Health performance information requested in the attached template under the Freedom of Information Act for your hospital/trust/organisation. I would like the information populated in the template provided and sent back to me in the same excel format.

### **Our Response**

Please see attached. Unfortunately, we are unable to provide the following information:

- No. of Patients in assessment phase, as we do not hold this information for all of our services.
- Mentally Disordered Offenders, as there is no definition included with this. If you still require this information please provide clarification.
