

Car Parking Charges

Request

Following the Government issuing new guidance on hospital car parking charges for staff, patients and visitors on 23rd August 2014, what changes, if any, have you made to your hospital car parking policy, and have you

- a) increased any hourly or weekly prices in your car parks, or
- b) decreased any hourly or weekly prices in your car parks?

Our Response

Further to our earlier response to your previous request, REF: FOI/1415/SG1284, we can confirm that no changes have been made and we continue to make no charges for parking at any of our hospital sites.
