

Department of Health Funds

Request

Following the release of the Additional Winter Funding by the Department of Health to assist in developing and delivering the extra activity needed to sustain acute performance over the winter of 2014/15, we as a College are submitting FOI requests to all CCGs to ascertain how the money has been spent.

We'd be grateful if you could respond to the following:

1. Of the £700 million announced by the Department of Health, how much was allocated to your CCG?
2. How much of the money allocated to your CCG was spent directly on i) *substantive* medical staff; ii) *locum/overtime* medical staff?
3. How much of the money allocated to your CCG was spent directly on i) *substantive* nursing staff in the A&E department; ii) *locum/overtime* nursing staff in the A&E department?
4. What other staff or schemes were funded by these monies?

Response

Unfortunately, we do not hold the information you require, as we provide mental health, learning disability, community health services and not a CCG. However the contact details for our local CCGs are below:
