

Mental Health Funding

Request

I'm carrying out research into funding levels for mental health services in England. I wanted to get in touch to check the figures I have noted down for Leicestershire Partnership. These are:

2010-11: operating income: £138.466m (source annual report)

2011-12: £282.464m (Source: Annual report)

2014-15: £267.053m (Source: Forecasted income in January board papers)

Response
