

Translation Services

Request

Please can you tell me the cost of translation at your trusts over the past four years.

Response

Information was not collected centrally until 2011/12 and therefore we are only able to provide the figures for the past 3 years:

11-12 - £282,117.56

12-13 - £331,467.62

13-14 - £396,072.15

Please note that the above figures also include the costs of our in-house interpreting service. This service provides interpreting to the wider LLR community, and as such some of the costs above will not solely relate to LPT.
