

Bed Closures

Request

Please send me the revised and updated plans for bed closures and bed reconfiguration (ie the updated version of the information contained in section 2.8.3 of the Strategic Outline Case) indicating bed closures on a year by year basis beginning 2015/16.

Response

This information is exempt under S22 of the Freedom of Information Act 2000. The proposals for service reconfiguration are under constant iteration as the Better Care Together programme progresses towards formal public consultation, which subject to NHS England and Trust Development Authority (TDA) approval will begin in autumn 2015. The proposals are 'work in progress' and will be released as part of the public consultation documentation.
