

## Drug Use

### Request and Response

Please provide the following:

1. All internal and external emails/memos/correspondence relating to requests to collate drug data over the last 5 years - [Question withdrawn by requestor](#).
2. All data collated from drug testing of patients (anonymised) over the last three years – including the number of patients tested at each round of testing, the number of those who tested positively and what ever information you hold regarding those positive samples (ie type of drug the patient tested positively for)
3. All internal and external correspondence (emails, memos, letters, faxes) relating to complaints about drug use among patients in your care over the last three years.

**OUR RESPONSE:** From our preliminary assessment, we estimate that compliance with your request would exceed the appropriate costs limit under section 12 of the Freedom of Information Act 2000, currently £450, as we do not centrally record the information being requested at questions 2 and 3 above.
