Yes!

I am a UK taxpayer and I would like Raising Health to treat all donations I have made for the four years prior to this tax year and all donations I make from the date provided, until I notify you otherwise, as Gift Aid donations. I understand that I must have paid an amount of income tax and/or capital gains tax at least equal to the tax that all charities or Community Amateur Sports Clubs (CASCs) will reclaim on my donations for that tax year. Please note that VAT and Council Tax do not qualify to cover Gift Aid claims.
