

## Children's Physiotherapy Service

# Referrals

### Referral criteria

- Children and young people from birth to age 16 (up to 19 years in statutory education) registered to GP practices in Leicester City, Leicestershire County and Rutland.
- Children and young people attending schools within Leicester, Leicestershire and Rutland if the physiotherapy therapy intervention needs to be delivered in the context of the curriculum.
- Children and young people with significant functional; independence; sensory; movement or perceptual difficulties that can be changed through physiotherapy therapy intervention.

### We see children with:

- Developmental disorders or delays in their movement and gross motor skills
- Neurological deficit
- Acquired neurology
- Neuromuscular deficit
- Complex special needs that includes neurodevelopmental delay with complex physical disability equivalent to GMFSC III to V in CP

### How to make a referral:

- FYPC Single Point of Access referral form
- By post to: Leicestershire Partnership Trust, Bridge Park Plaza, Bridge Park Road, Thurmaston, Leicestershire, LE4 8PQ
- By secure e-mail : [fypc.referrals@nhs.net](mailto:fypc.referrals@nhs.net)
- SystmOne users can also refer using e-referral

Referrers should include information about the child's developmental stage, as well as chronological age, to ensure the child is directed to a clinic appropriate for their ability.
