How to enrol at the college

If you are over 18 and would like to attend one of our courses, you will first need to enrol as a student with the college. It's simple, no referral is required.

To enrol please call; 0116 295 1196 or Email; LPT.RecoveryCollege@NHS.Net

We will arrange to contact you and go through an individual learning plan with you and then book you on the course(s) which you feel may help you most with your recovery journey. Within the learning plan there is an opportunity to discuss any learning support needs you may have, from an educational or mental health perspective. We will then do everything we can to support you.

Peer Support at the Recovery College

At the Recovery College, we offer Peer Support to help you along your recovery journey.

Peer Support Workers are people who have their own lived experience of mental health conditions and are trained to support others in their recovery. Working together, Peer Support Workers can help to identify things that may be helpful to you in your journey and your goals.

They are passionate about supporting others in improving their health and wellbeing.

If you would like some additional support whilst attending the Recovery College, you can book some time in with a Peer Support Worker.

Get in touch with the Recovery College and let us know.

21. Learn to Surf: an introduction to living more mindfully

"You can't stop the waves, but you can learn to surf"
- Jon Kabat Zinn

Do you dwell on the past and worry about the future? Have you ever noticed when you are doing familiar and repetitive things, like eating or driving, that your mind is often elsewhere thinking about something else? Do you find yourself getting swept away by the waves of life? If so, this workshop could be for you!

'Learn to Surf' provides a basic introduction to mindfulness in a practical and fun way. Mindfulness is about finding ourselves grounded in the moment and gently noticing what is here: thoughts, feelings, sights, smells, sounds, taste, and so on. This skill allows us to consider the whole of our experience, without judging or excluding anything. There are many benefits of regularly practicing mindfulness including, less anxiety and emotional reactivity, as well as greater awareness, acceptance and ability to tolerate change.

This course consists of several practical mindfulness 'experiments and some tips on bringing mindfulness into daily life.

33. Getting Good Sleep

Sleep is essential to life and a seemingly straight forward task. However it is not uncommon for people to be held back in life due to struggles with getting enough or good quality sleep. This course is aimed at people who are experiencing difficulties in sleeping, are keen to uncover what might be hindering their sleep and discover effective ways of getting good sleep.

Topics will include: Why do we need sleep? How much sleep should I be getting? Common sleep difficulties? The link between mental health and sleep. What's keeping me awake? What can I do about it?
