

Ref No. SG8435

Date: 23 July 2019

REQUEST:

1. What is the average cost per day in pound sterling allocated to feed an inpatient with non-exceptional dietary requirements staying in each of your hospitals for the last 5 years. For 'year' please use calendar year up to 2019. For 'hospitals' please include sites where patients stay overnight on a ward and please ignore any sites that are self catering.
2. Please list the hospital and care sites in your trust and state whether the catering service is outsourced and if outsourced please give the name of the company or companies this is currently outsourced to and the date of the outsourcing to this company,
3. How many cases of listeriosis have been traced back to sandwiches that were given to inpatients in your trust in the last three years?

OUR RESPONSE: Since 01 May 2016 the University Hospitals of Leicester NHS Trust has been responsible for providing Estates and Facilities management services to the whole of the NHS in Leicester, Leicestershire and Rutland, including catering.
