

Ref No. SG8565

Date: 3 September 2019

REQUEST:

1. Please provide me with the number of mixed sex wards still in use by the trust?
2. Please provide me with the number of mixed sex communal areas in use for patients?
3. For 2019-20 (to date), 2018-19 and 2017-18, please provide me with the number of patient on patient incidents of sexual assault on a mixed sex ward or mixed sex communal area that have been recorded by the trust?
4. Of those incidents above recorded by the trust, how many were escalated to a) the safeguarding team or b) the police?

OUR RESPONSE:

The Trust provides integrated mental health, learning disabilities and community health services. The response has, therefore been categorised by Directorate to assist with context.
