

<u>ROLE DESCRIPTION</u>	
Role Title:	Volunteer Photographer
Role Purpose:	<p>To provide in-patient meaningful based photography classes/sessions with group and 1-1 interventions with support from staff.</p> <p>To support staff with planning and evaluation of sessions prior to, and following photography sessions.</p> <p>To assist NHS staff teams in engaging with patients in photography to enhance their rehabilitation experience and to improve wellbeing.</p>
Hours:	Hours to suit you, but as a guide we would like one or two 1hour sessions plus preparation and discussion afterwards per week (eg 10-2.30pm)
Reports to:	Occupational Therapy (Main contact)

What are the benefits of a photography tutor role?

- Develop patient interest in meaningful activity to enhance recovery.
- Enable patients to explore photography as a means of expression.
- Supports patients to improve their health and well-being.
- To provide consistency in the running of groups.

What is the benefit of this volunteer activity for me as a volunteer?

- Opportunity to teach an activity that you are passionate about.
- Give something of value to those that are struggling with mental health.
- Opportunity to spend time doing something you can feel proud of.
- Improve your confidence.
- Opportunity to meet new people.
- Open up further work opportunities with references supplied about your time volunteering.
- The volunteering team support through the application process.
- Training provided with certificates
- Staff handbook.
- A benefits booklet, like staff booklet but with some differences.
- Named supervisor/contact on site.
- Polo shirt/volunteer lanyard.
- Induction pack in a NHS Volunteer cloth bag.
- Quarterly Volunteer Vision enewsletter.
- Birthday card.
- Free travel on the hospital hopper bus.

Tasks

- Attend weekly organised group, and provide 1-1 tuition.
- Assist with the planning of the group and involvement in rolling group activities as planned in advance.
- Support patients within the group to explore photography as a means of expression.
- Assist with the evaluation of the group.

TRAINING

Volunteer Induction is compulsory for all volunteers. Local induction will be provided by Coalville Community Hospital.

PLACEMENT LOCATION

Placement Area	Brief Description
The Bennion Centre, Glenfield Hospital	The Bennion Centre has 2 wards (men's and women's) of 48 beds catering for Mental Health Services for Older People (MSOP). The general patient population is elderly and can be acutely unwell with mental health conditions, and some may also have dementia. There is provision for physical health care and good therapeutic treatment and activities. Wards for people with dementia have dementia-friendly elements.
