

SIREN

SARS-CoV2 Immunity & Reinfection Evaluation

An URGENT national study to answer one of the key questions of COVID-19:

Does previous exposure to COVID-19 prevent future infections?

Can you help?

Are you a staff member working in a healthcare organisation?

All on-site staff are welcome to participate. Whether you are a pharmacist, nurse, porter, doctor, cleaner or in an administrative role, we need YOU to be part of the SIREN study.

Read the Participant Information Leaflet, and if you are interested in participating, contact your organisation's Research Team today.

If you want to find out more, please contact your organisation's Research Team:
