Equality Statement

Leicestershire Partnership NHS Trust (LPT) aims to design and implement policy documents that meet the diverse needs of our service, population and workforce, ensuring that none are placed at a disadvantage over others.

It takes into account the provisions of the Equality Act 2010 and promotes equal opportunities for all.

This document has been assessed to ensure that no one receives less favourable treatment on the protected characteristics of their age, disability, sex (gender), gender reassignment, sexual orientation, marriage and civil partnership, race, religion or belief, pregnancy and maternity.

In carrying out its functions, LPT must have due regard to the different needs of different protected equality groups in their area.

This applies to all the activities for which LPT is responsible, including policy development and review.

Due Regard

LPT must have due regard to the aims of eliminating discrimination and promoting equality when policies are being developed. Information about due regard can be found on the Equality page on e-source and/or by contacting the LPT Equalities Team. **The Due Regard for this policy is included as an appendix below.**

1.0. Purpose of the Policy

The purpose of the policy is to give information and guidance to employees and managers about special leave in relation to carers leave for dependents, emergency domestic leave, bereavement leave and special leave to undertake public duties. It describes the options available to employees and stipulates the period of time off in any given situation. It explains the process to be followed when applying for Special leave.

2.0. Summary and Key Points

- 2.1 The Special Leave Policy is available to all staff across the organisation to support them in achieving an appropriate balance between work and home life. The NHS Constitution (January 2009) refers to staff having the right to fair treatment regarding leave, flexible working and other statutory leave requests relating to working and family including caring for adults that you live with.
- 2.2 The policy provides an easy to follow guide for managers and staff.
- 2.3 The policy attempts to balance the spirit of equal opportunity and reasonableness with practicality, for both individuals and the service.
- 2.4 Employees may access a maximum of 37.5 hours paid Special Leave (a working week) in any leave year (proportional for part time staff)). This leave should be managed in line with the annual leave calendar (April to March).

3.0. Introduction

- 3.1 As part of LPT's Health and Wellbeing agenda, the Trust is committed to ensuring that staff are able to achieve a balance between the demands of work and their domestic, personal and family circumstances in order to maintain work performance. The Trust also recognises that the emphasis will shift as individual circumstances change and careers develop.
- 3.2 Work Life balance is about how we combine the demands of work with the demands of other personal interests and responsibilities. The Trust is committed to improving the working lives of staff and believes that supporting and valuing staff, in turn, support the delivery of patient care. Work Life balance is not just about families, childcare or the eldercare it is about having reasonable influence and flexibility over when, where and how you work. It's about having the energy to enjoy both your work and home life.
- 3.3 LPT aims to be fair and consistent in implementing a framework to help staff that have an urgent and/or unforeseen needs which necessitates absence from work or creates an inability to function safely at work.

4.0 Duties within the Organisation

4.1 The Trust Board has a legal responsibility for Trust policies and for ensuring that they are carried out effectively.

4.2 Trust Board Sub-committees have the responsibility for ratifying policies and protocols.

4.3 Director of Human Resources / Heads of Human Resources are responsible to ensure the development and implementation of appropriate guidance to support work-life balance for employees

4.4 Managers and Team leaders will be responsible for:

- Ensuring that staff are aware of this policy and the guidance to support work life balance and apply this policy in a effective, fair and consistent manner.
- Considering employees requests for special leave and making decisions about such requests in line with the needs of the service.
- Ensuring that all relevant paperwork is completed and sent to payroll/human resources when an employee's request for special leave is made. In particular where unpaid leave is granted, appropriate payroll forms are completed to ensure payroll deductions are made.
- In instances where special leave is not supported to provide written reasons to the member of staff.
- Maintaining a full and up to date record of all leave applied for taken, or not supported.
- Arranging for appropriate cover where necessary.
- Monitoring all leave taken by staff.
- Respecting and maintaining confidentiality where a member of staff has needed to disclose details of a personal nature in order for their request to be considered.

4.5 Responsibility of Staff:

- To follow Trust procedures in applying for Special Leave.
- Ensure all relevant paperwork is completed.
- Employees are responsible for maintaining regular contact with their line manager whilst on Special Leave if circumstances have changed during their period of Special Leave.
- To raise with their manager any concerns they have about being able to effectively manage the balance between their work commitments and home circumstances.

5.0 Section A - Special Leave for Urgent, Domestic, Personal and Family Reasons

5.1 General Principles

- 5.2 The Trust recognises that many of its employees combine their working lives with the responsibilities of raising a family, caring for dependant elderly relatives and other domestic commitments and that there will be occasions when urgent domestic, personal and family matters compete with work responsibilities.
- 5.3 Due to the circumstances of urgent and unforeseen need, it is not appropriate to limit the extent to which Managers can exercise discretion. Managers should use the policy for guidance purposes.
- 5.4 In the interests of consistency when exercising their discretion in respect of special leave for domestic, personal and family reasons, Managers should discuss the circumstances of particular requests with their appropriate Senior Manager.
- 5.5 In all cases reference to a working week equates to the normal weekly hours of the individual whether they be full or part-time.
- 5.6 For the purposes of this policy, A dependent is someone who is married to, is a civil partner, or a partner (whether the same or opposite sex) a near relative or someone who lives at the same address as the employee. A relative for this purpose includes; parents, parents-in-law, adult children, adopted adult children, siblings (including those who are in-laws), uncles, aunts, grandparents and step relatives or is someone who relies on the employee in a particular emergency.
- 5.7 Special leave must be recorded on an individual's Special Leave record card.
- 5.8 Separate incidents of Special Leave should not normally exceed a total of 37.5 hours (pro-rata for part time staff) in any leave year.

5.9 Categories of Leave

Provisions for special leave both paid and unpaid fall under the following categories:

- Carer's leave
 - Emergency domestic leave
 - Leave for Other Domestic Crises
 - Bereavement leave
 - Child Bereavement leave
 - Time off for Religious Festivals and Spiritual Observance Days
 - Time off for interviews
 - Hospital Admission of a Dependant.
- 5.10 After special leave has been exhausted, annual leave/unpaid leave/Time off in Lieu should be considered. Please note NHS Pensions Contributions cannot be taken during a period of unpaid leave. Missing contributions will be recovered in full once the employee return to work

5.11 Table 1 – Categories of Special Leave for Urgent, Domestic, Personal and Family Reasons

Special Leave	No of hours in a leave year	Paid or unpaid	Degree of discretion	Special circumstances
Carer's Leave Also incorporates Emergency Admission into Hospital for Dependents	Up to 37.5 hours (pro-rata for part time staff)	Paid	With approval of the Head of Service

Time off for interviews	Time off given for internal interviews	Paid	n/a	n/a
Hospital Admission of a Dependent – planned appointments	Time off Given	Unpaid	n/a	Additional days can be granted with approval from the Head of Service

5.11 Carer's Leave

- 5.12 Leave, either paid or unpaid, depending upon the circumstances, should be made available to staff at times of **urgent and unforeseen need**. There is no qualifying period for eligibility.
- 5.13 The aim of such leave is to provide a compassionate response to immediate needs. Examples of such situations are illness of a child, close relative or dependent, breakdown of normal carer arrangements and making arrangements for longer-term care, where Hospital attendance of a partner or dependent is an emergency admission, this list is not exhaustive.
- 5.14 In considering what leave is immediately necessary and reasonable in a particular situation, the Manager will consider each case on its own merits. For example if normal care arrangements break down, up to a maximum of one day/shift may be sufficient to allow other arrangements to be made. However, if there are extenuating circumstances a longer period may be necessary and in such cases, the period of Carer's Leave should not normally exceed three days/shifts.
- 5.15 In exceptional circumstances, for example to care for dependents with terminal illness or emergency hospital admissions, additional leave paid or unpaid may be granted but must be approved by the Head of Service.

5.16 Emergency Domestic Leave

5.17 Managers may grant compassionate leave in response to immediate needs e.g. house burglary. Paid compassionate leave would not normally be for more than one day/shift. If further time off is needed, annual leave and/or unpaid leave may be agreed with the Manager. Managers should always refer to a Senior Manager where an extension of leave is to be considered.

5.18 Leave for Other Domestic Crises

5.19 Managers will consider leave in any circumstances where, due to urgent and unforeseen events, a compassionate response is necessary e.g. an incident of domestic abuse. Human Resources should be contacted for advice in all such instances.

5.20 Bereavement Leave

5.21 Managers may grant up to 37.5 hours bereavement leave with pay (pro-rata for part time staff). Additional leave can only be granted following agreement from the Head of Service.

5.22 The following factors will be taken into account when determining time and pay arrangements:

- Closeness of employee's relationship with the deceased in real terms, not merely by reference to blood ties.
- Whether the employee is appointed executor/executrix or is responsible for funeral arrangements.
- The availability of other relatives or friends, particularly those more able to assist in the necessary arrangements.
- The distance the employee needs to travel to make arrangements and/or attend the funeral.
- Periods of less than one day's paid time-off to enable staff to attend funerals should always be considered.
- Managers should highlight to employees suffering a bereavement their entitlement.

5.23 Child Bereavement Leave

5.24 All bereaved parents will be eligible for a minimum of two weeks child bereavement leave. A bereaved parent will not be required to demonstrate any eligibility criteria in order to access bereavement leave or pay.

5.25 There is no requirement for the child to be under 18 years of age.

5.26 Parents who experience a still birth from the 24th week of pregnancy will be eligible for child bereavement leave.

5.27 Where both parents of a deceased child work for the Trust, the entitlements will apply to both members of staff.

- 5.28 All bereaved parents will be entitled to two weeks' occupational child bereavement pay which will include any entitlement to statutory parental bereavement pay. Pay is calculated on the basis of what the individual would have received had he/she been at work.
- 5.29 Bereaved parents do not have to take the two weeks of leave in a continuous block. The employee should agree with their line manager the leave they wish to take. Taking child bereavement leave is an individual choice, it is not compulsory for the employee to take child bereavement leave
- 5.30 Bereaved parents may request to take child bereavement leave at any point up to 56 weeks following the death of the child. Should the parent wish to take child bereavement leave immediately following the death of a child they shall be able to do so upon informing their line manager that they will be absent from work for this purpose. Should the parent wish to take child bereavement leave at another time, after the initial period following the death, they should give their line manager reasonable notice of their intention to take the leave at this time
- 5.31 Please refer to Section 23 of the NHS Terms and Conditions of Service for additional information in relation to Child Bereavement Leave.

5.32 Time off for Religious Festivals and Spiritual Observance Days

- 5.33 The Trust recognises that it operates within a multi-cultural society where many religions and faiths are followed. Whilst the Trust understand that there are many 'special days' within religious calendars, the Trust is unable to give paid time off for these events under special leave.
- 5.34 Bank Holidays dates are set by the UK Government on an annual basis and the Trust is required to observe these dates.
- 5.35 Members of staff should request annual leave/unpaid leave or use TOIL (Time off in lieu) for the days/dates that they wish to take as leave in order to celebrate festivals or attend ceremonies. Where a number of staff wish to take the same periods of leave due to the religious events/festivals, it is the line managers responsibility to ensure that the service is covered appropriately.
- 5.36 Where members of staff are able to work on the set bank holidays (i.e. the service they work is open and operating), they may use their bank holidays for such religious events.
- 5.37 Some religions require extended periods of fasting and members of staff may wish to discuss options with their line manager in order to ensure that the Trust can support them during this period.

5.38 Time Off for Interviews

- 5.39 If a member of staff requests time off for an interview within LPT then this will be approved and time will be given, however, if the interview is external to LPT then this is to be taken off in their own time. This can be as flexi time, TOIL or annual leave.

5.40 Employees that have been placed at risk as a result of a management of organisational change will be given time off to attend interviews.

5.41 Hospital Admission of a Dependent

5.42 Special Leave provides a response to the following situations. There is no qualifying period for eligibility and line Managers may approve special leave without pay in response to this either as a block or as individual days.

5.43 Please refer to section 5.12 and 5.35 where Hospital attendance of a partner or dependent is an **emergency admission**.

5.44 Unpaid special leave or other leave such as Annual leave, TOIL (Time Off in Lieu, swap working days etc.) can be made available in the following situations;

5.45 Hospital attendance of a partner or dependent for planned major treatment/surgery
or
day surgery for example the dependent needs to be transported to and from hospital,
or
attendance at an out-patient clinic
or
post hospital discharge

5.46 In exceptional circumstances, for example to care for dependents with terminal illness or emergency hospital admissions paid leave may be granted but must be approved by the Head of Service.

5.47 Procedure to Apply for Special Leave in Section A

5.48 Members of staff must contact their manager and outline the reasons why the leave is necessary, either in person, or by telephone if the situation means they cannot attend work.

5.49 The manager should clarify the situation sensitively and establish with the employee what type of leave is being requested. If the member of staff is unable to disclose why the leave is necessary to their direct line manager then advice can be sought from Human Resources.

5.50 Employees must complete the form in Appendix A and give to their line manager for approval at an appropriate time.

6.0 Section B - Special Leave for Public Duties etc.

6.1 Special leave is available to staff undertaking certain public duties. The length of such leave, whether it is paid or unpaid and the discretion which may be exercised is shown in the Table 2.

6.2 Employees are encouraged to discuss their possible appointment to a public position which is likely to require special leave prior to applying for that position, so

that their manager can consider the impact on the department and options for covering the employee's absences

- 6.3 In the case of a summons as a witness or call for jury service, employees should give their manager as much notice as possible.
- 6.4 There is a general assumption that the NHS has a duty, as a public body, to release staff for public duties where possible. However, the needs of the service must be given priority and it must be accepted that there will be certain circumstances where leave cannot be granted.
- 6.5 No travelling or subsistence expenses will be paid by the Trust to any employee in connection with travel or subsistence arising out of any public duties.
- 6.6 In the event of clarification, please consult Section 50 of the Employment Rights Act 1996.
- 6.7 Examples of the public duties for which special leave shall be given under the terms of Section 50 (2) of the Employment Rights Act 1996:
- A local authority
 - A statutory tribunal
 - A police authority
 - A board of prison visitors or a prison visiting committee
 - A relevant health body
 - A relevant education body
 - The Environment Agency or the Scottish Environment Protection Agency.
- 6.8 In addition to the above provisions, special leave with pay shall be made available in the following circumstances:
- Attendance at court as a witness
 - Attendance as a witness at Leicestershire Partnership NHS Trust appeal hearings.
- 6.9 Attendance at Court as a Witness**
- 6.10 Employees who attend court either with the consent of Leicestershire Partnership NHS Trust or on a subpoena, or witness summons or otherwise as a legal obligation, will be granted special leave with full pay for that purpose on the understanding that any witness fee received (as distinct from allowances for travelling and subsistence expenses) is handed over by the employee to Leicestershire Partnership NHS Trust.
- 6.11 No travelling expenses or subsistence allowances will be paid by Leicestershire Partnership NHS Trust.
- 6.12 Leave for Jury Service**
- 6.13 Employees who are called for jury service will be granted special leave with pay for the purpose, on the understanding that any Court fees received (as distinct from allowances for travelling and subsistence expenses) are handed over by the employee to Leicestershire Partnership NHS Trust. Throughout the period of jury

service, it is the expectation that employees are required to attend work if they finish early (i.e. half day) or on the days they are not required.

6.14 No travelling expenses or subsistence allowances will be paid by Leicestershire Partnership NHS Trust.

6.15 In exceptional circumstances where granting time off would be detrimental to the service and patient care, employees may be asked by their manager to request a postponement of jury service. However, it will be the Court's decision as to whether the request is agreed.

6.16 Leave for Parliamentary Candidates

6.17 Employees who are adopted as candidates at a Parliamentary election may, at the discretion of Leicestershire Partnership NHS Trust be granted special leave without pay to enable them to pursue their candidature. The amount of time off given will be agreed locally and will be in line with the needs of the service.

6.18 No special facilities shall be accorded to employees who become Members of Parliament. Such employees are not, by reason of their office, rendered incapable of being elected to Parliament or of sitting and voting as a Member of the House of Commons. An employee's position in regard to remaining in Health Service employment will, therefore, be governed by their ability or inability to continue to fulfil the duties of their post.

6.19 Leave for Local Government Activities

6.20 As the bodies constituted under the National Health Service and Health Services Acts are not in direct relationship with Local Authorities*, there is no objection as a general rule to Leicestershire Partnership NHS Trust employees contesting local elections or taking part in local government activities, provided always that in the discharge of any Local Authority functions which impinge on the functions for which Leicestershire Partnership NHS Trust is responsible, employees have due regard to the circumstances of their dual position.

6.21 Employees should seek the consent of Leicestershire Partnership NHS Trust before standing for election, but this consent will not normally be withheld except in cases where circumstances make membership of the Local Authority undesirable.

6.22 Employees who, with the consent of Leicestershire Partnership NHS Trust seek election to a Local Authority and are successful may, at the discretion of Leicestershire Partnership NHS Trust and subject to the exigencies of the service, be granted special leave without pay up for the purpose of attending meetings of the Local Authority, and otherwise carrying out their duties as a member of such Authority.

6.23 An employee who is appointed Lord Mayor may, at the discretion of Leicestershire Partnership NHS Trust be granted unpaid leave (to be agreed locally and in line with the needs of the service) in any period of 12 months for carrying out civic duties including any magisterial duties.

6.24 Special leave authorised by LPT for these activities may be taken as 7.5 hours or 3.75 hours (pro-rata for part-time staff) as required but the consent of the employee's manager should be obtained to each absence from duty.

6.25 Local Authority includes County, City, District, Borough and Parish Councillors.

6.26 Employing Staff in the Territorial Army/Reserve Forces

6.27 Leicestershire Partnership NHS Trust has pledged its support for members of or those wishing to join the Reserve Forces and recognises the valuable contribution reservists make to the UK Armed Forces, their communities and the workplace. The Leicestershire Partnership NHS Trust have agreed that such leave related to all employees irrespective of grade or discipline and special leave with or without pay will be subject to the needs of the service.

This policy should be read in conjunction with the Trust's Reserve Forces Training & Mobilisation Policy and Procedure.

7.0 Section C – Volunteering Leave

7.1 General Principles

7.1.1 As part of the Trust's 2016 – 2021 Corporate Social Responsibility (CSR) strategy, the staff volunteering initiative - We Citizen - has been developed to enable staff to participate in community building / volunteering activities. Community building activity is when staff use their skills and time for social benefit in Leicester, Leicestershire and Rutland (LLR) communities.

7.1.2 There are many benefits to volunteering. It's a way of giving back to the community, developing new skills and getting to know people. We Citizen will allow staff to volunteer during working and non-working hours, including the weekend. The Mental Health Foundation's 'Doing good does you good' publication describes the health benefits of volunteering as a great way to do something for others and research shows that it benefits people of all ages through increasing feelings of self-esteem, respect, motivation and wellbeing.[1]

- 7.1.3 Staff may apply for up to 15 hours additional paid leave per year (pro rata for staff who work part-time) to participate in volunteering activities across LLR.
- 7.1.4 Volunteering opportunities will be for both individuals and teams. Team volunteering contributes to building existing teams or to creating new formal or informal teams.
- 7.1.5 Staff volunteering will primarily be focused on opportunities provided by organisations who are registered with LPT as hosts for volunteering activities and will generally be over and above existing volunteering that staff undertake.
- 7.1.6 There will be no retrospective approval of volunteering leave.
- 7.1.7 Staff will not be able to claim time back for participating in fundraising activities, unless they are raising money for the Trust's charity - Raising Health. In this case, staff will be permitted to apply for up to 15 hours additional paid leave per year (pro rata for staff who work part-time) as part of the volunteering initiative.

7.2 Types of Volunteering

7.2.1 Volunteering can be defined as any unpaid activity that involves spending time doing something that aims to benefit the environment or the community.

7.2.2 Activities which may be included are:

- Team projects (internal/external)
- Service user support
- Community support
- Providing consultancy or using professional skills to support organisations.

This list is not exhaustive

7.3 Applying for Volunteering Leave

- 7.3.1 Staff who identify a volunteering activity must complete an application form (Appendix 3) which should be submitted to their line manager for approval a minimum of 4 weeks before the volunteering activity is due to take place so that cover arrangements can be made if necessary.

DATA PRIVACY IMPACT ASSESSMENT SCREENING

<p>Data Privacy impact assessment (DPIAs) are a tool which can help organisations identify the most effective way to comply with their data protection obligations and meet Individual's expectations of privacy.</p> <p>The following screening questions will help the Trust determine if there are any privacy issues associated with the implementation of the Policy. Answering 'yes' to any of these questions is an indication that a DPIA may be a useful exercise. An explanation for the answers will assist with the determination as to whether a full DPIA is required which will require senior management support, at this stage the Head of Data Privacy must be involved.</p>
