

**Ref No. SG8900**

**Date: 11 December 2019**

**REQUEST:**

1. May you please provide the number of recorded incidents whereby a staff member was found to have sexually harassed / sexually assaulted or raped patients. Please provide the figures per year within the following financial years: 2019/18, 2018/17 and 2017/16
2. May you please provide the number of recorded incidents whereby a patient was found to have sexually harassed / sexually assaulted or raped fellow patients. Please provide the figures per year within the following financial years: 2019/18, 2018/17 and 2017/16
3. May you please provide the number of recorded incidents whereby a member of staff was found to have been sexually harassed / sexually assaulted or raped by a patient. Please provide the figures per year within the following financial years: 2019/18, 2018/17 and 2017/16

**OUR RESPONSE: Please Note:** The system records incidents as 'abuse' rather than 'physical sexual abuse', so these incidents may include both verbal abuse and actual assaults. None were rape or serious sexual physical assaults.
