

NHS  
Big Tea

## You are invited to the NHS Big Tea!

### What is the NHS Big Tea?

You are all heroes in our eyes and deserve a big thank you for your phenomenal efforts through the pandemic. Our charity Raising Health has organised for each team/area at LPT to have a Big Tea with the help of funding from NHS Charities Together, to coincide with the NHS birthday on 5 July.

### How can your team take part?

Team leads or managers can fill in our online order form to request a tea party kit for your team or area. Kits will include tea, coffee, biscuits, bunting and more!

Form link: <https://www.leicspart.nhs.uk/the-nhs-big-tea-for-lpt/>

You can hold your Big Tea anytime during early July. IPC guidelines to ensure you and your team are Covid safe can be found here: <https://bit.ly/2ScfmH0>

Teams working from home will need to make alternative arrangements for meeting, i.e. picnics or virtual, as office buildings are still off-limits.

### Would your team like to make a donation?

If possible, we would like teams to donate to a Raising Health appeal of choice:

<https://www.raisinghealth.org.uk/appeals/appeals>

**Please note: The closing date for forms to be submitted is 16 June 2021. If you work at an LPT base, your kit will be sent via internal post. Alternatively, if you are working from home, we ask that you pick a collection point and we will let you know when to collect your kit.**
