Leicester Royal Infirmary - L'Eat Café Restaurant - Located in Balmoral building ground floor - CAR PARK in Havlock Street public car park (Free for staff working and volunteering in vaccine hub)

Parking is at Havelock street usually. - ...to advise for your upcoming shift at Leicester Royal Infirmary (LRI) LE1 5WW, the parking will be Havelock. We're forwarding your names to operations so the site can arrange parking permits for your shifts. ' – email details such as car registration number and make with your name to lpt.wfbdeployment@nhs.net to arrange permits

Temporarily from 16 September onwards:

Update re the LRI Car Parking Situation, see below.

“Unfortunately the Havelock Street car park is no longer free for all those working a shift at the LRI hub. Whilst we are looking for an alternative, please could all VALS/RVS volunteers and WFB vaccinators be notified they will need to pay for parking in the Havelock street car park and we are happy for the expenses to be reimbursed until we have a solution. Once the staff can provide evidence of their car parking fee, the operational manager will sign a form which they may take to our hospital cashier. They will be provided with cash. This maybe completed on a weekly basis in the hub.”

Baljit Kaur; 07951886304

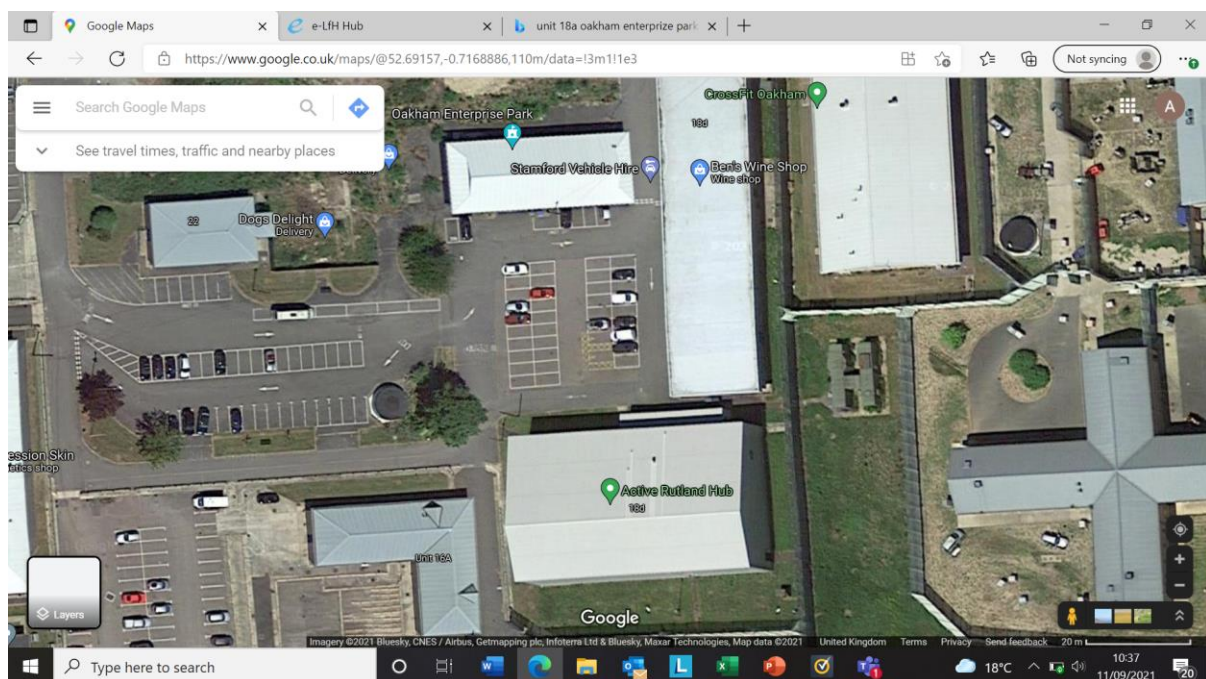

Unit 18A Oakham Enterprise Park is a purpose built business unit which is owned by the council but managed by LLRPCL.

The unit is for the sole use of the vaccination programme and the staff therein.

Welfare facilities on site include toilets, Team break out room with facilities to make refreshments.

No lockers are available on site therefore we would recommend bringing minimal personal items into the building.

There is sufficient car parking for both the vaccination team and patients – we would ask that staff park near the entrance the enterprise park and not near the entrance to the vaccination centre we would kindly request this is left free for patient parking.
