12. Learning

Serious & Internal Incidents emerging themes

- Lack of communication or joined up approach between teams within LPT
 Action –shared with all Directorates as an emerging theme from IRM
- Mental Capacity Assessments staff confidence to undertake Action training being provided to District nursing face to face and bespoke for their context
- Communication and engagement with patients families Action this is being considered as a whole trust action (patient safety/patient experience and clinical governance)
- Management of Controlled drugs in the community Action Task and finish group led by Anthony Oxley to consider the system issues
