GETTING YOU TO THE RIGHT PLACE TO ACCESS THE HELP YOU NEED

Find a service in this directory to help with your emotional, mental health and wellbeing

If you are not feeling yourself, and want to find information, need some advice or be involved in a community group, use this directory to find help online or a local service in your area.

Getting to the Help you need

If you are not sure where to go for higher level support, make an urgent appointment with your [GP or call 111](#).

Urgent Mental Health Support

If you are struggling with everyday life, you can't cope and your mental health has developed into a crisis

Call the Mental Health Central Access Point [24/7 Free 0808 800 3302](#)

Urgent Help

**If you are not safe, have a physical injury and your life is at risk
[Call 999 or go to A&E](#)**

NHS SERVICES

GP

Make an appointment and visit your general practitioner (Doctor) when you're sick, injured, or experiencing concerning symptoms. A general practitioner can use lab tests to diagnose illness, prescribe medication as treatment, assess your overall health, and connect you with a specialist if needed.

All Age Central Access Point (CAP)

All age CAP can signpost you to the most appropriate service to meet your mental health needs. They are available 24 hours a day.

Telephone: 0808 800 3302

Urgent Medical Advice

If you require urgent medical advice, **call 111**. They will direct or refer you to the most appropriate service.

You can call 111 24 hours a day, 7 days a week.

Emergency Services

If you or someone you know needs urgent medical attention, a physical injury or is suicidal, go to the nearest Accident and Emergency (A&E) department at the hospital. The main A&E department in Leicester is at Leicester Royal Infirmary.

Telephone: 999

NHS SERVICES – LEARNING DISABILITY AND AUTISM

Information on the Leicester, Leicestershire and Rutland Autism diagnostic pathways is available on the following links:

[Understanding autism diagnosis and assessment process for a child aged 0-12](#)

[Understanding the autism diagnosis and assessment process for young people aged 12-18](#)

[Understanding the adult autism diagnosis and assessment process](#)

Leicestershire Partnership
NHS Trust

LD CRIST – Crisis Resolution and Intensive Support Team

Provide support for people with a learning disability who are over the age of 18, who are using behaviour that hurts themselves or other people. The staff/carers/social worker may be thinking that going into hospital or moving home may help. The team will try and support people to stay in the community.

Email: lpdaccess@nhs.net

Leicestershire Partnership
NHS Trust

Specialist Autism Team (SAT)

A multi-disciplinary team committed to improving the quality and care for people who are autistic. The team provide post-diagnostic support to autistic people aged 14 and upwards, including adults.

The team will focus on early intervention and work to put in place the right package of respectful care and support to prevent admissions to psychiatric hospitals, wherever possible.

Further information is available [here](#)

Leicestershire Partnership
NHS Trust

Community Learning Disability Service

Work in partnership with local communities to improve health and wellbeing and reduce health inequalities for adults with learning disabilities. This will enable adults with learning disabilities to lead more independent and fulfilling lives and will promote inclusion, choice and rights. The specialist learning disability service works with people who are 18 years old and upwards.

Further information is available [here](#)
