Spring 2024

We promote, recruit and support volunteers in making a positive difference to enhance patient experience and the quality of our services at LPT

Welcome to the Spring Edition, wishing all of our fabulous volunteers a very Happy Easter.

Volunteers' Week 2024 is just around the corner, this year it is from 3rd June to 9th June.

If there is anything specific that you would like us to consider for the week, please get in touch with Minaxi.

Easter Fun

Thank you to those volunteers who participated in our Easter game, where you were invited to guess how many eggs and bunnies were in the jar.

We are pleased to announce that Tracey Hasler who volunteers at Coalville hospital guessed the nearest with 59 treats and won the fabulous Easter chocolate jar. There were actually 60 in the jar.

We also had an Easter raffle for staff to win the lovely Easter hamper, where we raised £30 for our volunteering fund.

Thanks to Asda for donating the Easter goodies.

Following on from our feature about **Jean Denyer** in the Winter 23 edition, we are pleased to share that in February Crishni Waring the Chair of LPT presented Jean with her National Volunteer Certificate, Valued Star and Room to Rewards!! Well done Jean!

Below this, there are several questions: 'Do you enjoy driving and meeting people?', 'Are you friendly, caring and reliable?', and 'Do you have some time you can spare?'. A small graphic of a car on a road is shown. At the bottom, there is a QR code and contact information: 'Email: lpt.voluntarytransport@nhs.net' and 'Call: 07392316770'.

Mandatory Training

The face of Mandatory Training has changed making it easier for you to see what courses you have completed and the courses that need to be completed within the date given. We will soon be switching on notifications which means you will receive a message by email telling you that your mandatory training requires completing again.

Most of the modules need to be completed every three years, though Fire Safety Awareness and Data Security Awareness will need to be completed every year.
