

Thank a nurse

Do you want to thank a nurse for the good work they have done?

You can choose a nurse who you would like to get an award.

This means filling out an award form to tell your story for all the good work a nurse has done for you.

They may get the DAISY award, or a certificate to tell them how great they have been.

You can fill in this form to nominate a nurse for a DAISY Award. **Please send back to lpt.daisy@nhs.net or posting to DAISY Co-ordinator, Loughborough Hospital, Epinal Way, Loughborough, LE11 5JY.**
